## Your Mountain Top Message

Your Mountain Top Message is often connected to your passion.

Ask yourself: What keeps you awake at night? What makes you happy? What makes you angry? What would you change, if you could? What makes you sad? What are you willing to stand up for? What situations arise compassion, frustration, or empathy from within you? What cause inspires you to become a defender or protector?

Imagine yourself standing on the top of the highest mountain imaginable. The entire world can see and hear you. You have the attention of every person on earth and you are given five minutes to share what is most important to you – what burns deep within your heart.

Answer the following questions in a paragraph that best expresses your Mountain Top Message:

2.	What would you say to the world? What would you want them to know? What would you want them to do?
